

DESCRIPTION

C–Peptide Complex (formerly known as Super C Serum) provides a potent dose of free radical scavenging with a powerful blend of L–Ascorbic Acid and an active blend of our collagen–boosting peptide, and dry marine collagen. The rejuvenating benefits of C–Peptide Complex gives you a daily dose of Vitamin C and essential protein. This all–important complex is a must for every skin for continued support against free radical damage and to strengthen skin tissue, while increasing collagen production.

SKIN TYPE

All Skin Types – Photo–Aged, Environmentally Stressed

RECOMMENDED USE

Apply each morning after cleansing. Place about 3 to 4 drops on skin and smooth in. Moisturizer and Daytime Defense SPF30 may be used after C–Peptide Complex has absorbed into the skin. If not using another corrective at night, C–Peptide Complex may be applied twice a day. It may also be mixed with an epidermal growth factor or moisturizer for more sensitive skin.

INGREDIENTS

Aqua (Water), Hamamelis Virginiana (Witch Hazel) Water, L–Ascorbic Acid, Glycerin, Palmitoyl Tripeptide 3, Magnesium Ascorbyl Phosphate, Citrus Medica Limonum (Lemon) Peel Oil, Citrus Sinensis (Sweet Orange) Oil, Lecithin, D–Beta–Fructan, Xanthan Gum
